SMALL RODENT PREVENTION TIPS

- Do not throw food, cooking grease, trash, etc. outside the unit.
- Keep tightly sealed lids on garbage cans.
- Do not leave food on counters and food preparation areas for extended periods of time, especially not overnight.
- Keep all food packages tightly sealed.
- Store pet food in sealed containers.
- Call in a work order, if you see small gaps, cracks or holes in the exterior walls or doors.

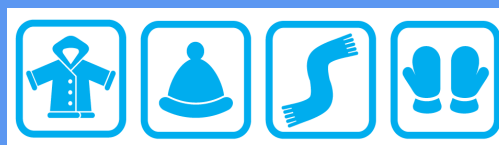

WARM THE WORLD - COAT DRIVE

The 8th annual Warm the World Mission Day is scheduled for Saturday, November 18, 2017 at 8a.m. at First Baptist Church of Goldsboro, 125 S. John St.

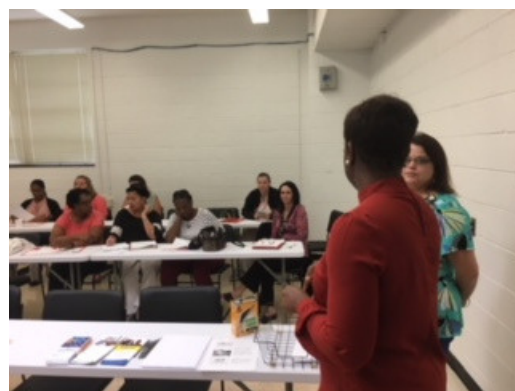

Warm the Word is all about helping others in need by handing out free gently used and new coats, hats, gloves, blankets, sleeping bags and more!

Hot breakfast is served at 8a.m.

WCPS 21ST ANNUAL DISTRICT-WIDE PARENT SEMINAR THE GAME OF LIFE - PUBLIC HOUSING EDITION

Recently, HACG staff presented at the WCPS Parent Seminar a fun and interactive workshop that gave participants an inside view of what life is like for some Public Housing Residents. They shared how programs and services offered in Public Housing are assisting our residents and are making a difference in their lives. The scenarios presented were provided through a game-style medium. Where you choose your own character in the game of life. Hiccups, unexpected expenses, and changes affect the bottom line! Attendees had to juggle the challenge and realized that the Housing Authority of the City of Goldsboro is here to help and learned about how our community collaborations work.

SUMMER READING CAMP

HACG implemented the WCPS Summer Reading Camp onsite at the Fairview Community Center to accommodate 38 -k-2nd-grade students. To provide struggling readers additional instructional support, combat the summer slide, and to help these students read at or above grade level.

Those attendees were rewarded for attendance and participation weekly with books, treasure chest items, field trips, and at the end of camp received participation certificates, new bikes, and some received gift cards.

KICK OFF TO KINDERGARTEN

This summer we offered 16 of our rising kindergarteners a chance to get ahead with a Kick Off to Kindergarten Camp, in Little Washington. The camp addressed foundational literacy skills...in a fun environment. The sessions provided children with a "first glimpse" into the structured format of an elementary classroom.

Attendees received participation certificates, new bicycles, and age-appropriate learning tablets.

SUMMER YOUTH EMPLOYMENT INITIATIVE

HACG was excited to sponsor the City of Goldsboro Summer Youth Employment Initiative. The initiative offered at least 50 jobs this summer. Teens worked in various light supportive positions throughout the city for approximately 20 or more hours per week depending on placement. They also participated in weekly learning excursions. We truly enjoyed the teens that assisted us here at HACG, so much we put them on a billboard!

Campus Tours

HACG Scholars recently visited the campuses of Howard University and Georgetown University. Ambassadors led our scholars through the admissions process, discussed educational opportunities, and allowed our students to experience some of the campus life! Scholars also took time to tour and see some of our rich history while in our nation's capital, Washington, DC.

BACK TO SCHOOL EVENTS

Our community Back to School events exists with the goal to ensure that all our kids start the upcoming school year feeling confident and prepared!

Youth residents enjoyed a color run, balloons, face painting, music, food, and took home backpacks filled with supplies to begin the school year!

Thanks to our local Aaron's rental store for giving back to our youth!

FALL FESTIVAL

Our fall festival was a fun family-friendly event that included a live DJ, free food, hayrides, family engagement activities & an opportunity to learn about various community resources.

Thanks to our community partners for joining us!

HACG RECOGNITIONS

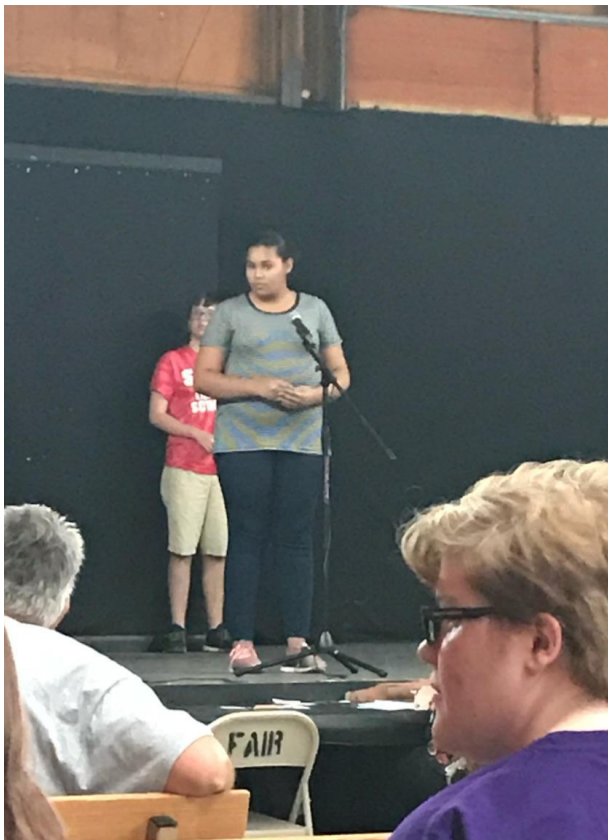

Emerging Leaders - Eliana Jones & Sharita Oates

We recognize these ladies for their graduation on the SERC Emerging Leaders Committee. These ladies have gained knowledge and have integrated themselves into the housing industry through mentors, training, and conferences.

Laressia Steadman

Laressia Steadman participated in the Wayne County Spelling Fair and won 3rd place!

Nautti Council

Congrats to our very own HACG scholar and EWS 2017 Homecoming Queen, Nautti Council.

Proud of our Girl & Boy Scouts!

FROM THE CEO

I want to thank all of our residents for a great summer season! From having our youth interns onsite, our scholars on tour, to providing additional instructional support to our youth through our summer reading camps, this summer has been very productive!

We want to keep the momentum going, as we fall into the holiday season. Which is definitely my favorite time of year!

As you start to prepare for the holidays, be sure to place experiences over things! Don't allow the season to stress you out financially. Enjoy and engage your children daily. Be sure to play an active role in your child's schooling, and if you're looking to do something new consider getting involved in the programs in your community.

There is enough information and opportunity here to go around! Be safe and enjoy the season!
